

General registration form for Motorway Cards and/or Devices

To obtain cards and/or devices, please provide the information indicated in this registration form to your local euroShell representative, who will then forward the applications to FDE. Please use block letters.

Company name: _____

Address: _____

Postal code and town: _____

Telephone: _____ Telefax: _____ E-mail: _____

Company activity: Transport Dispatch/Coach Others _____

National VAT nr: _____ Internat. VAT nr: _____ Contact person: _____

Postal address: _____

I hereby request to receive the following number of cards/devices for payment of tolls:

France/Italy _____ Fréjus cards – please fill in Order Form below
Time of delivery around 3 – 4 weeks

Italy _____ Viacards. Time of delivery around 2 - 3 weeks

_____ Telepass devices. Please fill in Order Form and Application Form for FDE Consortium below. Time of delivery approx 2 – 3 weeks.

Companies established in an EU country which carry out transport of goods can obtain a refund of part of the motorway tolls paid with Viacard/Telepass by entering a consortium. By entering the FDE CONSORTIUM customers will always receive the highest available rebates. If you are interested, please fill in and send us the enclosed application form. Please note that the registration fee of 5 euro is paid by FDE.
